4.2 **PROVISIONS FOR CREDITORS HOLDING SECURED CLAIMS.**

4.2.1 **Treatment of Holders of Certain Purchase Money Secured Claims.** The claim of each of the following secured creditors

who have a purchase money interest securing a debt either 1) in a motor vehicle acquired for the debtor's personal use within 910 days prior to the filing of the bankruptcy petition; or 2) in any other thing of value what was incurred during one year prior to the date the bankruptcy petition was filed shall be paid as follows:

4.2.2 Modification of Rights of Holders of Other Secured Claims. To each of the following named creditors, the full value of the allowed secured claim held shall be paid, provided a timely allowed claim is filed.

Each creditor holding an allowed secured claim shall retain its lien on the collateral securing that claim until the earlier of 1) the payment of the underlying debt determined under nonbankruptcy law; or 2) discharge under 11 U.S.C. § 1328. If the case is dismissed or converted without completion of the plan, such lien shall be retained by the secured creditor to the extent recognized by applicable non bankruptcy law.

The allowed secured claim shall be amortized at the rate of interest (simple interest, direct reducing), in equal monthly installments over the term of the plan.

Any portion of the debt owed to a creditor in excess of the allowed secured claim will be treated in this plan as an unsecured claim. Subject to the terms of the order of confirmation of the plan, unless otherwise ordered by the court, payments shall commence upon filing of an allowable claim.

The projected total payments constitute the debtor's best estimate of the total of all payments made to the secured creditor on the secured portion of such creditor's claims. At the discretion of the trustee, allowed secured claims of \$500 or less may have payment accelerated.

Secured creditors' rights and claims will be modified in accordance with the terms provided for herein by debtor. Except as provided by 11 U.S.C. § 1325(a)(5)(B)(i)(II), an order setting the secured portion of a claim, at less than the total amount of the entire claim, voids the creditor's lien to the extent of the unsecured portion of the claim.

The debtor hereby MOVES the court for an order so fixing the amount of the allowed secured claim as follows:

CREDITOR	COLLATERAL DESCRIPTION	ALLOWED SECURED CLAIM	RATE OF INTEREST	PROJECTED TOTAL PAYMENTS

If a secured creditor objects to this provision, debtor will ask the court, at the hearing on confirmation, to confirm the plan over the creditor's objection, pursuant to 11 U.S.C. §1325(a)(5)(B). In the event that any such secured creditor fails to timely file a secured claim, a late filed claim shall be allowed for purposes of distributing payments for the secured portion of its claim. In the event that the creditor's late filed claim has an unsecured portion in its proof of claim, no distribution shall be allowed for the unsecured portion of the claim.

4.2.3 Curing of Default of Long Term Secured Claims.

To each of the below named creditors, the debtor does not propose to pay, in full, their allowed secured claim during the term of this plan. Each creditor shall retain its lien on the collateral securing the claim until the allowed secured claim is paid in full.

The debtor will continue the regular monthly contract payments outside of the plan pursuant to the contract terms. Each post-petition payment shall be paid by debtor as it comes due. The initial payment shall commence on the first full month following the filing of this bankruptcy by debtor.

The default payments under this plan, shall be applied by creditor to the earliest payment for which a portion of the payment is due. Payments shall commence upon filing of an allowable claim and subject to the terms of the order of confirmation of the plan. Unless otherwise provided, the frequency of payments shall be in equal monthly amounts, during the term of the plan. The total in default provided hereinafter represents the debtor's projection of the total amount necessary to cure the default. In the event that the creditor's allowed claim provides otherwise, the allowed claim shall control. Each creditor shall further be entitled to receive interest on their claim, as allowed by law. Such interest rate shall be the non-default contract rate of interest provided in the contract between each creditor and debtor.
